**Day 1:**

***Arrive at Hotel and check in at hotel***

***Day free at leisure***

**Day 2:**

***07.00 - 09:00 am Breakfast***

***09:30 am Pickup for Half day scenic Dubai city tour***

***Dubai, the second largest Emirate, is the UAE's commercial center and is proudly referred to as the "City of Merchants". Dubai offers a fascinating kaleidoscope of contrasts – the old and new, the East and the West. Experience a variety of sights and scents of the Orient in a cosmopolitan setting. A true introduction to the Arabian Gulf.***

***The tour takes us to a variety of interesting attractions: we bring you close to the Burj Al Arab where you can take pictures of the world famous hotel. From there we drive to the Jumeirah Mosque – a magnificent example of modern Islamic architecture. We drive past the ruler's palace and the Bastakia area – the oldest part of the city with its tall wind towers which served as air-conditioners in bygone days.***

***Enroute we pass by the ancient beautifully restored house of Sheikh Saeed Al Maktoum, built in a commanding position near the mouth of the Creek at Shindagha.***

***This is followed by a visit to the aromatic spice souq and the extensive gold souq where you can buy exquisite gold jewellery at prices lower than anywhere else in the world.***

***07:15 pm Transfer for Dhow Cruise with Dinner (OPTIONAL)***

***A cruise along the gentle waters of the historic Dubai Creek is an altogether exhilarating experience. A romantic evening of nostalgia on a traditional Dhow (Arabic boat) reminds one of the Arabian spirits of adventure of yesteryears, of pearl diving and trading. As we cruise along the waters, we enjoy the panoramic view of the city's glittering skyline by night and the freshness of the sea breeze. True Arabian hospitality and service will overwhelm you as you dine sumptuously on a spread of Barbeque meats and a variety of Arabic salads. The day comes to a pleasant end with this unique experience.***

Here, we relax in the tranquility and silence of the desert, surrounded by majestic sand dunes which seem to glow in the light of the setting sun.
